

Belair Baptist Christian Academy VIRTUAL LEARNING DURING COVID-19

For the duration of the COVID-19 crisis, Belair Baptist Christian Academy is offering education through both in-house and virtual learning formats. The virtual learning option is only in effect as long as COVID-19 poses a threat, as determined by the advice of medical experts and the administration. Once the threat is lifted, all students will return to in-house status.

- Your child receives full academic help from the teacher during the school day using Zoom.
- Your child has the opportunity to transition to in-house status at any point in the year, as long as there is an opening in the classroom.
